Krazy Kat is riding in his car with his girl friend. He is hugging and kissing her and she resents that. An aviator skims overhead and flirts with the girl. Krazy Kat still persists with his amorous advances and the girl slaps his face and beckons to the aviator. He swoops down and picks the girl up and off they go into the clouds.

Kraxy Kat then tries to make the acquaintance of other girls but they all shun him. He then goes to a carnival. He wanders over to an amusement ~~[illegible]~~ where he tries to see how many pounds he can hit with a mallet. There is a man there who bets Krazy Kat he can hit more pounds. The man hits the machine and Krazy Kat, who had been standing on it, soars up into the clouds.

There he sees the girl skating around. She tells him that the aviator made advances so she got out and skated. Krazy Kat and the girl make up.
